

Psalm 129:4 The LORD is good; He has cut me free from the ungodly.

Teen Challenge of New Mexico, Inc.

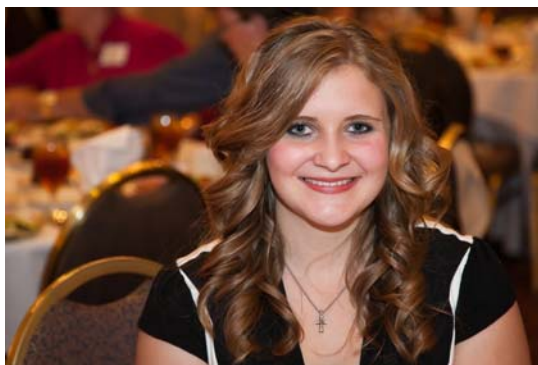

She stood quickly and said, " I want to testify! I was reading in my devotions this scripture. "Then her voice started breaking and tears filled her eyes as she continued. " Psalm 25:3 really spoke to me. 'No one who trusts in You will ever be disgraced, but disgrace comes to those who try to deceive others.' My generation is so deceived!"

Does being the victim of bullying really have long lasting consequences?

- All have sinned (Rom 3:23)
 - Sin separates us from God (Isaiah 59:2)
 - Believing in Jesus is the only way back to God (John 14:6)
 - You must be born again (John 3:3)
- Jesus came to seek and to save those who are lost!

Deceived!

The anguish on Madison's face spoke what she could not say with her voice. She was thinking back on her life before she came to Teen Challenge! During recess at school she remembers being told to get off the playground equipment before she broke it! She began running around the track trying to get thin so she could become one of the popular kids. She was deceived into thinking she had to get attention from somebody in order to be happy! She tried getting friends' attention, then attention from

Now she trusts in the LORD and the rest of the Psalm ministers hope to her. Verse 5 says **"Lead me by Your truth and teach me, for You are the God who saves me. All day long I put my hope in You!" To God be the glory!** All the staff, students and their families want to express our deep appreciation. It impossible to see young ladies and young men change without the power of Jesus Christ. They come here where the distractions are shut out and they can know Jesus!

WE ARE IN NEED!

After 24 years of helping young ladies at our Live-in Center, things have been moved to furnish the Boy's Center and the rest is needing to be replaced. We are in need of chest of drawers.

We also need hamburger meat, hot dogs, trash bags, paper towels, napkins, and other miscellaneous items. I rarely ask for specific items. We pray and God answers! One time we prayed for eggs and by 7:30am a friend called with more than 30 dozen eggs. God must want me to mention it. Maybe the Lord has been prompting you to give something and you may think we don't need it. Whatever the reason is, we are in need! Maybe a friend of yours is going to ask you if you know someone in need. God bless you! Please continue to pray for Teen Challenge! We love you!

Why do we allow our teenage daughters to dress like prostitutes?

Asked Jennifer Moses, author of an article from the Wallstreet Journal, on March 22, 2011. We heard about it as Rush spoke about it on his radio program. I looked it up and highly recommend you to read it. She goes on to talk about her theory. She says, "We are the first moms in history to have grown up with widely available birth control, the first who didn't have to worry about getting knocked up. We were also the first not only to be free of old-fashioned fears about our reputations but actually pressured by our peers and the wider culture to find our true womanhood in the bedroom."

She goes on to talk about being the feminist, post-feminist and post-pill generation, who don't even know how to teach their own sons and daughters not to give away their bodies. And, now they are uncomfortable about their past.

So many young teens feel a need to be special to *someone*! And, this has led to out of control texting and sexting among teens and **preteens**! Porn is thrown their way—ready or not—from everywhere they look. We need to pray for wisdom more than ever before. Help, LORD!

*it's not over yet!
heart aches and failures, disappointments and loss.
discouraging voices saying all is lost.
hopeless and lifeless with nowhere to go, then she answers the phone and says did you know there is someone somewhere who loves you as you are he is watching and waiting, hoping you'll come home. his arms are open, he'll be your best friend when everyone is gone.
he paid the price so you could live in peace.
please don't give up yet, just follow me.
a few months have gone by and times are hard. your trying to help her. you want to take her scars.

listen to his voice.
he says i love you still my child, come if you will, my arms are open. i'll be your best friend when everyone else is gone.
i paid the price to make you free don't give up on me. please, come follow me!
you took her hand and led her there so she could be free. you gave all you had so she would see that Jesus Christ is King. now she is ready to spread her wings and soar to lead someone to Jesus like you did before. she's learned a lot from you and the example you set. and now she will never ever forget!*

This was given to me right before a student graduated. It's not perfect, and I chose this font because it is from her heart! You and Jesus made it possible!
