TEEN CHALLENGE OF NEW MEXICO STATEMENT OF FAITH (PAGES 5 & 6)

Teen Challenge of New Mexico (TC) Believes....

The scriptures are inspired by God and declare His design and plan for mankind (2 Timothy 3:15-17).

There is only One True God; revealed in three persons...Father, Son and Holy Spirit (Deuteronomy 6:4).

In the Deity of the Lord Jesus Christ. As God's son Jesus was both human and divine (Matthew 1:23).

Though originally good, Man Willingly Fell to Sin – ushering evil and death, both physical and spiritual, into the world (Genesis 1:26-27).

Every Person Can Have Restored Fellowship with God Through 'Salvation'...trusting Christ, through faith and repentance, to be our personal Savior (Luke 24:47).

In Water Baptism by Immersion after repenting of ones sins and receiving Christ's gift of salvation and Holy Communion as a symbolic remembrance of Christ's suffering and death for our salvation (Matthew 28:19).

The Baptism in the Holy Spirit is a Special Experience Following Salvation that empowers believers for witnessing and effective service, just as it did in New Testament times (Luke 24:49).

The Initial physical Evidence of the Baptism in the Holy Spirit is Speaking in Tongues, as experienced on the Day of Pentecost and referenced throughout Acts and the Epistles (Acts 2:4).

Sanctification initially occurs at Salvation and is not only a declaration that a believer is holy, but also a progressive lifelong process of separating from evil as believers continually draw closer to God and become more Christ-like (Romans 12:1,2).

The Church has a mission to seek and save all who are lost in sin. We believe 'the Church' is the Body of Christ and consists of the people who, throughout time, have accepted God's offer of redemption (regardless of religious denomination) through the sacrificial death of His son Jesus Christ (Ephesians 1:22-23).

A Divinely Called and Scripturally Ordained Leadership Ministry Serves the Church. The Bible teaches that each of us under leadership must commit ourselves to reach others for Christ, to worship Him with other believers, to build up or edify the body of believers-the Church and to meet human need with ministries of love and compassion (Mark 16:15-20).

Divine Healing of the Sick is a Privilege for Christians Today and is provided for in Christ's atonement (His sacrificial death on the cross for our sins) (Isaiah 53:4,5).

In The Blessed Hope – When Jesus Raptures His Church prior to His Return to Earth (the second coming). At this future moment in time all believers who have died will rise from their graves and will meet the Lord in the air, and Christians who are alive will be caught up with them, to be with the Lord forever (1 Thessalonians 4:16-17).

In The Millennial Reign of Christ when Jesus returns with His saints at His second coming and begins His benevolent rule over earth for 1,000 years. This millennial reign will bring the salvation of national Israel and the establishment of universal peace (Zechariah 14:5).

A Final Judgment Will Take Place for those who have rejected Christ. They will be judged for their sin and consigned to eternal punishment in a punishing lake of fire (Matthew 25:46).

TEEN CHALLENGE OF NEW MEXICO STATEMENT OF FAITH (PAGES 5 & 6)

And look forward to the perfect New Heavens and a New Earth that Christ is preparing for all people, of all time, who have accepted Him. We will live and dwell with Him there forever following His millennial reign on Earth. 'And so shall we forever be with the Lord!' (2 Peter 3:13)

God has ordained marriage and defined it as the covenant relationship between a man, a woman and Himself. TC will only recognize marriages between a biological man and a biological woman.

That God wonderfully and immutably created each person as male and female. These two distinct, complementary genders together reflect the image and nature of God. Rejection of one's biological sex is a rejection of the image of God within that person.

That the term "marriage" has only one meaning: the uniting of one man and one woman in a single, exclusive union, as delineated in Scripture. (Gen 2:18-25) We believe that God intends sexual intimacy to occur only between a man and a woman who are married to each other. We believe that God has commanded that no intimate sexual activity be engaged in outside of a marriage between a man and a woman.

That any form of sexual immorality (including adultery, fornication, homosexual behavior, bisexual behavior, bestiality, incest, and use of pornography) is sinful and offensive to God.

That in order to preserve the function and integrity of Teen Challenge of New Mexico as the local Body of Christ, and to provide a biblical role model to the TC clients and staff and the community, it is imperative that all persons employed by Teen Challenge in a capacity, or who serve as volunteers, agree to and abide by this Statement of Marriage, Gender, and Sexuality.

That God offers redemption and restoration to all who confess and forsake their sin, seeking His mercy and forgiveness through Jesus Christ.

That every person must be afforded compassion, love, kindness, respect, and dignity. Hateful and harassing behavior or attitudes directed toward any individual are to be repudiated and not in accord with Scripture nor the doctrines (policies) of TC.

Addiction is characterized by a progressive loss of control over the use of a substance or behavior. The user becomes obsessed with it despite adverse consequences and often vigorously denies the existence of a problem if confronted.

The faith-based approach of Teen Challenge is that merely abstaining from addiction will not provide a lifetime of success; however, success can be achieved by replacing those addictions with a fulfilling and life-affirming experience with Jesus Christ. In other words, we believe that the void which people often attempt to plug with addictions can be filled, instead, with a new identity in Christ.

The Statement of Faith does not exhaust the extent of our beliefs. The Bible itself, as the inspired and infallible Word of God that speaks with final authority concerning truth, morality, and the proper conduct of mankind, is the sole and final source of all that we believe. For purposes of TC's faith, doctrine, practice, policy and discipline, our Board of Directors/Executive Management Team is TC's final interpretive authority on the Bible's meaning and application.

GENERAL INFORMATION

TC offers a Christ-centered, faith-based solution to youth, adults and families who struggle with life-controlling problems. We are concerned with the body, mind and spirit of those who come to us for help. We endeavor to help people become mentally sound, emotionally balanced, socially adjusted, physically well and spiritually alive. *We are confident that a relationship with God, through Jesus Christ, can transform a life.* The discipleship program is based on God's Word – the Bible. TC offers people an opportunity to start over.

Mission Statement:

Evangelize people who have life-controlling problems and initiate the discipleship process to the point where the student can function as a Christian in society applying spiritually motivated Biblical principals to relationships in the family, local church, chosen vocation, and the community. Teen Challenge endeavors to help people become mentally sound, emotionally balanced, socially adjusted, physically well, and spiritually alive through Jesus Christ.

Program Phases:

TC residential program for men 18 years of age and older takes 13-15 months to complete and is split into five phases. Men in the program begin and complete at Teen Challenge of New Mexico's men's center.

Phase One – Outreach and Evangelism. Many of those who apply to enter the Program first heard about TC through the outreach efforts of one of the TC Centers in New Mexico. When someone responds to our outreach efforts and begins the intake process at the Induction Center, they are in Phase One.

Phase Two – Crisis. The first two weeks of the residential program is referred to as "Crisis". What this means for men in the program is that they are more closely cared for and protected during the first few critical weeks. Students in this phase are introduced to the curriculum and program guidelines and spend most of their time on site.

Phase Three – Induction. The Induction Phase follows the Crisis Phase, which is the first few weeks in the residential program. Now that a student has become accustomed to the schedule and is familiar with the center and staff, he is ready to take on additional challenges and responsibilities associated with the program. This phase will last the remainder of four months and will take place at the Induction Center.

Phase Four – Training. The Training Phase takes place at the same center. This phase of the program is for those that have completed the Crisis and Induction Phases and have decided that they are committed to completing the entire program. The curriculum changes and becomes more challenging. Students are given more responsibility, privileges and opportunity for personal growth. Students spend about seven months in this phase.

Phase Five – Re-entry. Students who complete Phase Four transition to Re-entry. This phase of the program is designed to help students create a transition plan from the program, back into the community. Staff and student work together to establish plans for job/career, education, church participation, family relationships and community involvement. Re-entry students also work on practical things like resume, driver’s license and bank accounts during Re-entry.

Internship – Upon completion of Re-entry students may apply for a volunteer internship with the TC men’s center. Internships typically last for three months and can equip a student to be eligible for employment with Teen Challenge. Housing, meals and basic needs are provided by TC during an internship.

Emerging Leaders Program – Interns may apply for the Emerging Leaders Program. Interns enrolled in the ELP have a much greater opportunity to be selected to fill job openings with Teen Challenge.
