## **There is HOPE!**

Sin, not drugs, is the major root problem.

The only cure for sin and its symptoms is

### ***Jesus Christ!***

Christ within you, which Teen Challenge refers to as the ***Jesus Factor***, takes the ***desire for sin out of an individual's life.***

**When the urge to sin is taken out, the desire for drugs, alcohol and all manner of deviant behavior is removed.**

Because of the ***Jesus Factor*** we are able to claim a 74% cure rate. All gifts are tax deductible and a receipt is issued for each donation. Thank You!

Three words define Lili—passionate, determined, and genuine. She is passionate about making a difference in the world, and by being a living example of hope in a dark world. She has convictions to inspire and to help change others' lives for the cause of Christ. Finally, Lili is genuine about serving God with all of who He made her to be. A phone call at 4:00 AM changed her life forever when she heard the words, "It's Nathan. He's gone." A heroin overdose took her dearest brother's life. Comforting scripture resonated with Lili—I sought the Lord, and he heard me, and delivered me from all my fears. Lili has been composing and recording with her husband, Roger Rosales, and has her debut album, "Diaries of a PK".

Micheal Dickenson has a passion to partner with ministers and churches to assist them in providing a vibrant and relevant ministry in their communities. He has served in pastoral ministry since 1975 in churches in Roswell, Springer, Las Cruces, and Albuquerque. Until 2003 he served as senior pastor at Calvary Temple (now Harvest Fellowship) in Albuquerque, which he founded in 1990. He is serving in New Mexico Ministry Network as Network Pastor and is actively involved with the pastors and churches of the State. He and his wife Becky have been married since 1972 and have two married sons of whom are involved in ministry, and are blessed with five beautiful grandchildren.

**Teen Challenge of New Mexico provides teenagers with the support they need to overcome substance abuse and reckless behaviors in order to start over through the power of Jesus Christ!**

Natasha graduated Teen Challenge in 2009. She and Robert married and have two beautiful girls. She is currently enrolled in nursing school. She and Robert attend church with their little family. They both help with the sound

equipment and operating sound. Natasha was a little girl who had been left alone. She called 911 and after being moved around in foster homes because of her severe problems, God placed her in a loving godly home. Teen Challenge was their hope!
