Dear Pastor,

Let me start off by saying that we are beyond grateful for your love, prayers, and support!

As you know Teen Challenge of New Mexico has been a no-cost program for 34 years. Since the transition from adolescents to adults, Teen Challenge of New Mexico, has grown quickly! Thus, we are currently housing more students and employing more staff than ever before. Considering this growth, and the increase in operating expenses, we are having to make some changes and wanted to make you aware.

Through much prayer, consultation, and research, we along with our board have concluded that it is time to include some Fee Base components to our operations. as almost all Teen Challenge programs around the country have. Starting in April 2019, our program will include an Induction Fee for new students as well as a Monthly Tuition. We will work with each individual and/or family on a case by case basis and never want financial limitations to prohibit any student from being served through Teen Challenge.

Please know that the financial support from our churches and ministry partners has never been more important than it is now as we continue to work to meet the growing demands of this ministry. And because of your financial support, we will always have scholarship components which will be considered and applied on a case by case basis.

We believe this is going to help add value, long- term sustainability, and help us operate within a balanced budget. Rest assured, the ministry of Teen Challenge New Mexico, continues to operate at a high level of expectation, as discipleship remains our number one focus to fulfil the legacy that David Wilkerson was given by the Holy Spirit.

Thank you for your time Pastor, and please know we value your ongoing prayers and support. If you have any questions, or if myself or our staff can be of any assistance to you please let us know.

In the days ahead we hope to visit with you and have a time of fellowship.

Blessings to you and yours,
