*Tribute to Reverend David Wilkerson, founder of the original Teen Challenge*

May 19, 1931

April 27, 2011

Lin and I will never forget the first time we talked personally to Rev. David Wilkerson. He was a man of God who loved God and wanted everyone to know God and serve Him. In 1958, he was troubled by the news reports of gang killings. He believed that if these teen gang members knew the love of Jesus Christ, they would quit killing. Thus, began the first Teen Challenge. We will miss him.

*Thank You so much and God bless you!*

A life torn by things he had no control over turned to hate and bitterness.

"I spent most of my childhood at my grandparent's house because my mom was not mentally sound enough to take care of me." He hated her because she would not change her ways for him, the person that she said she loved most.

"My family did everything they could to show me love and help me but I didn't want help, I wanted to live in my dark pit and continue hating the world." His mom passed away and his heart became stone cold. His aunt told his family about Teen Challenge. He agreed to come. Come to the Banquet and hear how his life is being transformed.
